*Please read the application guidelines on the following page and sign the application.*

The following supporting material is required:

- A statement (written by the applicant) outlining the nature of the activity for which funds are being sought, and the benefit of the activity to the applicant's career. This statement is expected to include conference or workshop details if applicable, including details of any presentations.
- A budget of total expected expenses (and revenues). Supporting evidence (quotes) will be required for any flights, accommodation, and registration fees that are included. NZMS grants are not intended to cover the full costs of activities. Please outline other sources of assistance sought/approved to cover the remaining cost.
- A brief statement of support from your Head of Department (or equivalent).

Please contact the NZMS secretary in advance if you have any questions about what is required.

Applications without **all** the supporting material will be returned and not considered.
